Sports Gala Day at Wyndham  Friday 20 March

Our combined Sports Gala Day at Wyndham is coming up soon on Friday 20 March at Wyndham Oval.

This will be a fun day of activities for all students, including our KindyStart kids. Activities on the day include team games such as tee ball, soccer and football. It is a great opportunity to learn more and participate in team sports in a larger number of children. Tanja students are also coming along for the day.

We would greatly appreciate the assistance of our parents to transport students to Wyndham for the day. You are welcome to stay for the day and join in or just return at the end of the day to pick up.

A permission note with more information is attached. Please return to school by next Friday.

KindyStart

It was wonderful to welcome Lindsay back to Towamba and to introduce Jett to our classroom last Friday.

Please let us know if there are any other 4 year olds out there that we could invite along to KindyStart at Towamba.

Taiko Workshop  Thursday 26 March

Gradually all the planned events are getting closer now!

More information and the permission note for the Taiko Interactive workshop at our school on March 26 will be sent home next newsletter.

Students will be learning about taiko, Japanese greetings, counting in Japanese and more. This hands-on workshop includes the students playing the taiko drums and is an excellent introduction to Japanese culture.

School Newsletter

We have our volunteer to put up the school newsletter at Towamba Hall each week. Thank you so much Candice and family, your assistance will mean that the whole community has the opportunity to read what is happening at our school. Community members are also welcome to contact the school if they wish to be added to the newsletter email list. Or like the school Facebook page to keep in contact as well.

National Young Leaders Day

Year 6 boys will find attached to this newsletter some more information about the arrangements for travelling to Sydney later in the month for this amazing experience.

There is also a permission note and medical information note to be completed and returned to the school office. Show some leadership potential and remember to pay your $40 and return the permission note by Monday 16 March or earlier!

Recorders

Students in the 3-6 classroom have been learning to play the recorder, with the dream of playing at the Opera House later in the year a fantastic incentive!

Students are gradually gathering their music, backing track CD, practice schedule and recorder so that they can start practicing at home.
Online payments

Don't forget that if you have a Vida debit or credit card, you can make payments to the school online without the need to send money in to school.

On the school website there is a tab (see picture) titled Make a Payment. Clicking on that takes you to a page where you nominate the child you are paying for, add notes about what it is for and make the payment, receiving a receipt immediately.

When you send in the permission note– just note that payment was made online.

Clean up Australia Day at school

Last Friday all students participated in Clean Up activities. K12 cleaned up around the school and the older students walked along the roadside verges and up to the hall looking for rubbish.

It was very pleasing to say that they had trouble gathering much rubbish to fill their bags, declaring Towamba must be in the running for a Tidy Towns award!

The editors are also offering the opportunity for students, or others, to design the title of the ToT each month. The existing title can be patterned or embellished however you wish – keeping in mind that printing is done in black and white. The plan is to have a different look to the title each month.
